

**CAYUGA COMMUNITY COLLEGE
DEPARTMENT OF NURSING**

**Nur 101 Licensed Practical Nurse
Clinical Hours/Nursing Lab Skills Waiver**

I, the undersigned, am aware that my receipt of the NURS 101 Clinical Hours/Nursing Lab Skills waiver to the Nursing program include the following:

Successful completion of waiver requirements will replace the following:

- a. NURS 101 long-term care clinical hours rotation I (approximately 30 hours)
- b. NURS 101 nursing lab requirements for (SP/IP/CD) for medication administration for PO
- c. Medications, SQ medication, and IV therapy. (Approximately 9 nursing lab hours/appointments)

Waiver Requirements:

- a. One year LPN clinical acute or long-term care experience completed within 18 months of starting Nur 101.
- b. Attendance and completion of all NURS 101 MODS
- c. Completion of vital signs and shift assessment competency demonstration as scheduled within Nur 101 course and nursing lab schedule.
- d. Satisfactory completion of medication administration competency demonstration prior to the start of the fall semester and NURS 101.
- e. Satisfactory completion of DocuCare Simulation patient and nursing care plan as scheduled within NURS 101 course.
